Maricopa Health Plan

BULLETIN

DATE: 4/13/07

SUBJECT: New UB-04 (replacing UB-92)

TO: Hospital Billing Dept.

NO: 07_06

Please ensure that this information is communicated with the Pre-Visit Coordinators, Pre-certification staff, Nurses Managers, Clinic Managers and any other appropriate front office personnel.

As a reminder, The Centers for Medicare & Medicaid Services (CMS) has released its new UB-04 form.

Maricopa Health Plan is currently accepting the new UB-04 form. Starting May 23, 2007, all of your paper claims must use the UB-04 since the UB-92 will no longer be acceptable. The new form incorporates the National Provider Identifier (NPI), taxonomy, and additional codes.

Also note that CMS is accepting valid NPIs on the UB-04 between March 1, 2007 and May 22, 2007, and the NPI will be required as of May 23, 2007. If you have not obtained your NPI number yet, please do so.

If you have any questions regarding this bulletin, please contact your Provider Relations Representative.
